4. PRINCIPAL INVESTIGATOR/SUPERVISOR ATTESTATION (If ‘YES’ in section 3)

I certify that the research agreement (e.g., grant or contract) on which the Visitor will be working does not restrict or prohibit the participation of foreign persons in the project.

I certify that the research agreement (e.g., grant or contract) on which the Visitor will be working does not restrict or prohibit the research team’s right to publish any data or research results.

I certify that the Visitor will **not** be provided access to:

- Technical information that has been designated ‘export controlled;’
- Sponsor or third-party proprietary or confidential information, materials, or software; or
- Encryption source code

I certify that the visitor will **not** be provided access to equipment specifically designed or developed for military or space applications.

I am familiar with the details of the Visitor’s work while at UCLA and hereby affirm that the contents of this attestation are true to the best of my knowledge, information, and belief. I further understand that failure to accurately complete this attestation can result in US government export control violations for which civil and criminal penalties can be assessed against any individual (including a Principal Investigator) found to have caused or facilitated a violation, and/or against the University of California.

Principal Investigator/Supervisor Signature

Date

OFFICIAL USE ONLY

I have reviewed the above attestation and have determined that a license from either the US Department of Commerce or US Department of State to release technology or technical data to the Visitor is not required.
