

# UCLA is committed to international collaboration while protecting the appropriate use of its research and intellectual property.

## PRIORITIES FOR RESEARCH SECURITY

Responsible stewardship of federal funding

Commitment to academic engagement and international collaboration

Protection of intellectual property

**SAFEGUARDING**  
over **\$872 million**  
in federal funding in FY23

# UCLA'S COMMITMENT

UCLA is committed to complying with all applicable laws, regulations and UC policies that govern research, gift solicitation, and outside activities when working with international partners. The research that UCLA undertakes does not arbitrarily stop at our national borders. Much of our research requires international collaboration. Our collaborative spirit has helped us thrive, and we are committed to protecting a research and teaching environment that is open and cooperative and facilitates the appropriate exchange of research results.
